From Innovation to Scale: Advancing the Sexual and Reproductive Health and Rights of Young People

24 April 2024 at Hotel Kreuz in Bern

MMS SRHR CONFERENCE 2024

Young people face considerable challenges in addressing their SRHR needs, encompassing prevention of unintended pregnancies, sexually transmitted infections, early marriage, and sexual coercion and violence.

The MMS Conference 2024 will explore what kind of locally led and low cost innovations and initiatives are in place to reach young people, how these locally led innovations can be scaled up.
